Kangana Ranaut Unveils the latest issue of Grazia with herself on the Cover at Burberry
Kangana Ranaut is the cover girl for Grazia Magazine August issue. She looks absolutely stunning in the Maroon Burberry suit which accentuates her beautiful figure. The cut out one buttoned oxy brown blood suit on Kangana Ranaut gave her the style that she is famous for. No wonder she is called Queen bee - one of the most stylish ladies in Bollywood. The launch of the latest issue of Grazia was held at the Burberrys store in Palladium Phoenix Mills. Speaking on the occasion, Kangana said " The photo shoot for this cover took place in London and the whole team worked hard on it. I am glad that the final outcome has been better than what I expected".
