The hugely anticipated action entertainer, Bang Bang, starring Hrithik Roshan and Katrina Kaif is already been the talk of the town and now is going to permanently be 'talk of a town!' Bang Bang which was shot at various locations overseas, was also shot in Manali(Himachal Pradesh). While the shoot was going on the locals were overwhelmed to see their favourite super hero Hrithik Roshan and the stunning Katrina Kaif in real. The Manali bridge where the majority of scenes were shot, has become a grand tourist attraction and it is already been renamed as Bang Bang point.

Fox Star Studios and Director Siddharth Anand promise edge of the seat excitement and adrenaline pumping action as the duo fight against all odds. Expect explosions, trigger happy assassins and pandemonium that can only aptly be termed as Bang Bang – The summer flick you've been waiting for!

Bang Bang teaser has already crossed over 10 million views and will hit the theatres on October 2.
