Rani Mukerji visited Kolkatta to promote her film Mardaani. She visited the famous Kalighat temple that attracts devotees from all over India to seek blessings.

Rani also visited St Xaviers College where she interacted with the students.

She spoke to the girls about how they should be fearless and strong and each one should have the Mardaani spirit in them.

They should not take any injustice done to them lying down and should always have the fighter's spirit in them.

The girls were really excited to meet Rani and were inspired by her words.
