---

The most popular show of Star Plus 'Iss Pyaar Ko Kya Naam Doon' is reportedly to go off air soon. After the exit of lead actor Barun Sobti, the show brings another shocking news.

The strong buzz says that might soon bid adieu to its large number of fans. According to sources, the channel is deciding to pull the show off-air.

The show got tremendous popularity which is all thanks to the lead pair Barun Sobti-Sanaya Irani (Arnav & Khushi). Barun is going out of the show soon and the entry of new male lead Viraf seems giving no guarantee for the future of the show.

Buzz is also that Sanjay Leela Bhansali's TV debut project 'Saraswati Chandra' might replace Iss Pyaar Ko Kya Naam Doon.
