Ace Filmmaker Sajid Khan is now coming with his new film with Ajay Devgan which is a remake of 1983 Super-hit film Himmatwala. Sajid is so confident about his film that he challenges the audience that they will not get the tickets for the film in the initial three days of its release if they don't book in advance.

Sajid will now be seen as a Judge on dance reality TV show Nach Baliye. On the launch of the show in Mumbai, the Director said, "We will talk about Himmatwala at the press conference of Himmatwala. But please watch Himmatwala, I guarantee you will not get tickets for the first three days."
