Model & Actress Karishma Kotak has been eliminated from Bigg Boss 6. She is the latest victim of mid-week evictions on the show. The show is nearing to its finale, so the elimination takes place twice in the show.

Karishma who re-entered the house after her father's demise, said the eviction was a surprise to her, she didn't expect it to happen.

"I am little surprised because I was in the nominations this week. This season of the show is really extra-ordinary. Every day has come with some surprise and I really enjoyed my days in the house," Karishma told PTI.

Karishma was a non-controversial housemate, she usually used be silent in house and don't mess with people. Her past relation with co-housemate Niketan was revealed on the show during one of the task given by Bigg Boss.
